The Double-O7 Skimmer

(US Patent 10,961,736) adds a few more additional benefits than our Lucky 7 Skimmer:

- Manufactured with the original Lucky 7 Skimmer 7-degree angle to account for the draft angle of fiberglass pools.
- Easily allows for maximum skimmer height and position.
- The sleek design matches LED lights, returns, bubblers, and other round features of the pool.
- A simple 6 7/8" standard circular hole cut helps with easy installation.

The Lucky 7 Skimmer™

is compatible with virtually every fiberglass pool on the market. Some of the benefits include:

- Manufactured with a 7-degree angle to account for the draft angle of fiberglass pools.
- Fits perfectly with the edge of a fiberglass pool, reducing the need for multiple extension collars.
- The extended mounting plate does not allow raw fiberglass to be exposed inside the skimmer. This provides a clean and finished look.
- Simplified installation; pool installers no longer have to accommodate for the slope.
- Optimized water level; pool owners can finally enjoy the full depth of their investments.
- Improved skimmer function; the skimmer can be installed at the proper angle to allow for good water flow, which means cleaner, healthier and safer water.

The Geo-Anchor Pool Wall

(Patent No. US 9593455).

We created the Geo-Anchor Pool Wall® to prevent your fiberglass pool's wall from moving or bulging.

During installation, it's rolled out into the backfill and covered, thus anchoring it to the earth. The extension of this material allows the backfill to grip the pool wall to the earth. By anchoring the walls to the earth, the walls of the fiberglass pool will resist movement or bulge providing stronger fiberglass pool construction.

The Geo-Anchor Pool Wall install requires pool owners and builders to be diligent in maintaining proper water levels at all times.

The Backfill Eliminator

(Patent No. 10,450,766).

Traditionally, installers have used crushed stone in an attempt to pack and backfill under the tanning ledges. This method is costly, painstaking and time-consuming, and requires installers to work in extremely cramped conditions.

To solve this problem, we created the Backfill Eliminator, a specially fabricated structure integrated into the bottom of the pool, allowing for sturdy and level installation. The structure also permits free flow of groundwater, eliminating the possibility of stagnant water accumulating under the pool or excess groundwater lifting the pool. An added benefit is an access point that allows installers to add water features like bubblers.

PAYMENT TERMS & CONDITIONS

BELOW IS A BASIC OUTLINE OF OUR PAYMENT TERMS. PLEASE REFER TO YOUR DEALER AGREEMENT FOR THE FULL TERMS AND CONDITIONS.

- Thursday Pools must receive fifty percent (50%) of the pool shell price as a deposit AND the homeowner must complete the Warranty and Acknowledgement form found at <https://thursdaypools.com/standard-warranty-registration/> when the order is placed. The dealer is responsible for providing this link to the homeowner. The production lead time begins when the 50% deposit is received **and** the warranty and acknowledgement form is submitted by the homeowner.
- The remaining amount must be paid 10 days before the pool's scheduled ship date. Balances that are not received on time may result in shipping delays or cancellation.
- No payments will be accepted from anyone but the Dealer. We do not accept payments from the homeowner.
- Thursday Pools may collect any other past due balances prior to shipment.
- Built pools not taken within 30 days of the scheduled ship date will be released for shipment to another dealer. Your pool order will then go back into the production schedule and existing lead times apply.
- We offer Bill and Pay for an online payment option, and the link will be sent to you by the Accounting department (or may be found on the Thursday Pools Dealer Portal). This exact link must be saved for all future payments. Once your account is set up, you can go to the dashboard and make a payment (**make sure to include in the notes where you want the payment applied to, or you may email us at a.camp@thursdaypools.com**).
- Sales tax will be calculated using the Avalara website based on the shipping address.

PAYMENT TERMS & CONDITIONS

EXPECTED EMAILS FROM ACCOUNTING ONCE YOU HAVE PLACED AN ORDER

1. You will receive an automated order confirmation email within an hour of your order being placed in the dealer portal. From there, you may receive one of two kinds of emails: one letting you know the order is on hold due to us not having received the warranty registration, or you will be emailed a sales order if the warranty registration has been received. Please hold off on making a deposit until you have received one of these emails.
2. When any payments are processed, an email will be sent with the revised sales order attached. This will show the new balance due. You can also see your balance due in Bill and Pay at any time.
3. You will also receive an email letting you know the pool has been built.
4. Once the pool is shipped, you will then receive your paid invoice.

SHIPPING

SHIPPING & LOGISTICS

SHIPPING DETAILS:

- Thursday Pools can assist with coordinating delivery with an independent shipping source on your behalf.
- The dealer is ultimately responsible for shipping.
- Costs may vary between shipping contractors.
- Refer to the shipping carrier for costs.
- Deliveries may have a minimum shipping cost. Ask your transportation company if it applies to your shipment.
- Dealer is expected to pay all shipping costs to the driver before the pool(s) and/or spa(s) are unstrapped.

KEY POINTS TO PREPARE FOR DELIVERY:

- Have payment ready for the trucking company. Shipping cost is due upon arrival and before the pool is unstrapped.
- Have a company representative on site to inspect the condition of the pool and check boxes for all gray good items before signing off.
- Most trucking companies will not leave the street, so be prepared to take the delivery from the street.
- Stay in communication with our logistics support team. Make them aware of any special delivery requirements or changes to your requested delivery date as soon as possible.

***Pools not taken within 30 days after the scheduled ship date will be released for shipment to another dealer. Your pool order will then go back into the production schedule and existing lead times apply.**

SHIPPING

RECEIVING A DELIVERY

Our communication process regarding shipment of orders and what to expect.

WHAT TO EXPECT WHEN YOU ARE EXPECTING A POOL:

This timeline may vary due to production time.

3 WEEKS PRIOR TO DELIVERY:

- An email is sent requesting confirmation of your delivery/ pick-up date and final balance due.
- If there are specific delivery needs and requests (i.e. type of delivery truck, slide off), that should be made known at this time.

1 WEEK PRIOR TO DELIVERY:

- A text will be sent to you confirming your delivery date, letting you know your balance and due date. Please respond! Failure to confirm may result in you losing your spot on the schedule. Any cancellations after this point may result in a cancellation fee by the coordinating trucking company. Ensure the delivery contact on order form is correct.

AT LEAST 24 HOURS BEFORE DELIVERY:

- You should receive a phone call or text confirmation from the driver.

THE DAY OF DELIVERY:

- The driver should call or text once the pool is loaded and prior to leaving our facility.

HOW WE COMMUNICATE WITH YOU

You will receive both emails and texts from Sarah Adams regarding your shipments.

Sarah Adams can be reached through her text only number (317) 795-1899.

O: 877-929-7665 x 23 / s.adams@thursdaypools.com

SHIPPING

SCHEDULING A PICK UP

Scheduling your own pick up and coordinating your own delivery has its advantages:

- Opportunity to build a relationship with a driver
- Opportunity to negotiate trucking rates | flat rates
- Scheduling your own pick up will require flexibility from you on the delivery date.
- Drivers are responsible for inspecting pool(s) and signing off on the pools appropriate gray goods.

The following is a list of wide-load trucking contractors Thursday Pools has experience with and it is a great place to start:

Dave Coapstick Trucking - Dave Coapstick
909-234-1209
(1 driver - 53' Low-Profile Step Deck)
davecracing@verizon.net

HENCO Transport - Johnathan Hendricks
317-428-7668
(4 drivers - 2 low boy, 2 Goosenecks with Slide Offs)
jonathan@hencotransport.com

Nitro Transport (formerly Huber) - Adam Huber
618-978-0455
(4 drivers - 4 Gooseneck Trailers; 1 w/ Slide Off Available)
adamhuber.921@gmail.com

B & M Family Trucking - Missi Newman
804-450-3811
(multiple drivers - 4 step deck, 1 double drop)
melissanewman76@gmail.com

Shafer Shores Trucking - Mike Woodcock
765-414-6990
mononmike@gmail.com

Close more deals. Together

At Thursday Pools®, we aim to be the world's most respected fiberglass pool manufacturer. We believe passion, care and attention to details make the difference.

We strive to deliver innovative products that empower our customers to make a lifetime of extraordinary moments with their family and friends.

Your role in a customer's decision to purchase is vital. Our goal is to equip you with marketing materials and resources to help you win deals more consistently. Whether you're looking for [videos](#), [documents](#), or [images](#), you'll find everything you need to support your sales efforts.

HOW TO ORDER

STEP 3:

Once finished, click the “Place Order” button at the bottom of the screen

☐ I agree to Payment Requirements. A 50% deposit is required with this order. Deposits can be mailed to: Thursday Pools at 840 Commerce Parkway, Fortville, IN 46040; a wire transfer can be made or using our Bill and Pay Portal, link below.

[Bill and Pay Login](#)

Order Acknowledgement

Requirement Required

☐ I have disclosed to the customer that I am independently owned and operated and not an agent of Thursday Pools, LLC or River Pools Franchising, LLC.

Requirement Required

☐ The customer has acknowledged this by completing the Acknowledgement Agreement and Warranty Registration Form found at:

[Warranty Registration Information](#)

PLACE ORDER

ORDERING TIPS

Placing New Orders:

- New orders are placed on the dealer portal (<https://portal.thursdaypools.com/login>).
- Order confirmations are sent within an hour of ordering.
- Once the order is placed, it is ran through automation overnight. The order will then be processed by accounting. This process occurs within 48 business hours.
- If you are ordering more than one shell per customer-i.e. a pool and a spa- then you must place 2 orders: one for the pool and one for the spa.
- Once the order has a warranty **and** downpayment, the order will then be released to production.
- Please refer back to the Payment Terms and Conditions section of this price guide to see more detailed information on payments and what is required for an order to be processed for production.

Changes to Existing Orders/Order Cancellations:

- Change Orders are to be filled out on the dealer portal. This includes all changes to the order, including addition of white goods.
- Change Orders will be processed within 24-48 business hours and a revised sales order will be sent for your records.
- If you are cancelling an order, please fill out a Change Order form on the dealer portal to do so.

Stock Orders:

- When Stock orders are placed, the dealer may write “Stock Yard” in the “Name” field, as well as use their dealer address and email in each respective field on the pool order form.
- When Stock orders are sold, the Accounting department must be notified by filling out a Change Order form with the homeowner’s name, email address and physical address for warranty purposes.
